2026 Nanton Pro Rodeo - Featuring The Local Cowboy Heritage

The Nanton Agricultural Society proudly celebrates 120 years of service to the community with the presentation of the 2026 Nanton Pro Rodeo. Situated in the heart of cowboy country, Nanton has long honoured its rich western heritage and agricultural roots. This year's rodeo not only marks a significant milestone for the Nanton Agricultural Society, but also recognizes the local ranching families whose operations have been active for 100 years or more. Together, we celebrate a legacy of agriculture, community, and western tradition.
